A screenshot of the Deutsche Bahn website's search interface. At the top, there is a red navigation bar with the text 'Offers Discover Germany Booki'. Below this, there is a search area with a dropdown menu labeled 'Information & tickets'. Underneath, there are two tabs: 'Information & booking' (which is selected) and 'Saver fare finder'. There are two input fields: the first is labeled 'From station/stop or location, street ...' and has a yellow star icon to its right; the second field contains the text 'Roth (Mittelfranken) Bahnhof'.
